This technical drawing is an exploded view of a mechanical assembly, likely a conveyor system or a material handling unit. The assembly is composed of several main sections: a base frame, a central processing unit with rollers, and a discharge chute. The components are numbered 1 through 23, indicating their assembly sequence or identification. The diagram shows the relationship between these parts, including how they fit together and the order of assembly. Key components include a motorized drive unit (1), a series of rollers (2, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23), a discharge chute (24), and various structural supports and fasteners (25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100). The diagram is a black and white line drawing, typical of technical manuals.
