MetalPremium Self-Adhesive Compressible Underlay – The Best Base

The MetalPremium Self-Adhesive Compressible Underlay is specially designed for use with the MetalPremium UV Coating Blanket and guarantees the best coating results thanks to the added compressibility.

Your advantages at a glance:

- **Uniform coating quality:** even pressure across the entire coating blanket regardless of the design
- **Robust:** high resistance to mechanical stress
- **Expertise:** benefit from the experience and know-how of the market leader in metal printing
