Original Koenig & Bauer Hard cast cylinder Ultimate cast quality – Ultimate deal

The hard cast counter pressure cylinder plays a decisive role for the smooth functioning of a coating machine as well as for a constant production quality. In combination with our original scraper blades, it ensures that the backs of the coated sheets remain absolutely clean.

The original hard cast cylinder from Koenig & Bauer MetalPrint is manufactured in Germany, using a special material alloy for exceptional hardness. The surface is furthermore characterised by its extremely low average roughness, which serves to guarantee reliable and trouble-free production.

The original hard cast cylinder from Koenig & Bauer MetalPrint – for a profitable coating process and top quality.

Koenig & Bauer MetalPrint now offers you the possibility to replace your old hard cast cylinder by a new, peak-condition cylinder – quickly, simply and at favourable rates.

Special prices for the hard cast cylinder 431 & 460

Item No.	Description	Special price when ordering 1 piece	Special price when ordering 3 pieces	Special price when ordering 5 pieces
A55697	for coating machines 431 and 460	per piece 11,900 EUR	per piece 11,400 EUR	per piece 10,600 EUR

Installation of the hard cast cylinder can be performed by a qualified service technician from Koenig & Bauer. Labour, travel and accommodation costs as well as daily travel allowances for the technician are not included in this offering and will be charged separately as incurred. All prices are subject to the addition of value-added tax at the legally stipulated rate.

This special offer cannot be combined with any other promotions, discounts or rebates and is subject to change without further notice.

Errors and omissions excepted.

Valid until May 31, 2023
